Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2020-21 educational progress for the New Haven Community Schools and our schools. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact Cheryl Puzdrakiewicz for help if you need assistance.

The DISTRICT AER is available for you to review electronically by visiting the following web site <http://bit.ly/3qAa0kc>, or you may review a copy in the main office at your child's school. Each school will also be communicating their own AER to parents directly.

- Includes teachers who are not teaching in the subject or field for which they are certified

**NAEP Data (National Assessment of Educational Progress)**

- Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8

**Civil Rights Data**

- Provides information on school quality, climate and safety
