

## **NHCS COVID-19 Case Transparency Report**

The following NHCS Covid-19 School Associated Case Reporting is provided as information as confirmed through our COVID-19 Case Management Protocols. The NHCS Administrative staff follows a comprehensive response protocol for probable and confirmed COVID-19 cases and includes close contact investigations and identifications. This is done by working directly with the Macomb County Health Department, and results in the quarantine of staff and students as prescribed by health department staff. The NHCS Covid-19 School Associated Case Report aims to provide transparency on information as it is reported to us from health department officials. The information provided should allow our school community to continue to proactively support the mitigation of virus spread. As advised by health department officials a probable case that becomes a confirmed **NEGATIVE** test result is removed from the report and the appropriate staff or student(s) are returned to school. \*NOTE: Only reported probable and confirmed cases and any resulting close contact quarantines affiliated with RCS students and staff, including coaches, are included in the report. This report meets the requirements set forth by MDHHS Executive Order dated 10-6-2020 and effective on Monday, October 12, 2020.

<b>Notification Date</b>	<b>School Name</b>	<b>Confirmed and probable cases reported</b>	<b>Affiliation (Staff, Student or Both)</b>	<b>Identified STUDENT "Close Contacts" (required to quarantine)</b>	<b>Identified STAFF "Close Contacts" (required to quarantine)</b>	<b>Additional Information (clarifies any associated cases)</b>
9/13/21	NHHS	1	Student	22	0	
9/20/21	Endeavour Middle School	1	Staff	0	0	Fully vaccinated breakthrough case
