

Dear New Haven Families,

As you know the New Haven School Board approved the plan to have the district go 100% virtual for the weeks following the holiday breaks. All students will be virtual from Nov 30th-Dec 4th and again Jan 4th-Jan13th.

On November 19th and 20th, parents who may need to borrow a chrome book for their child for the virtual weeks will be able to pick up one at their child's school from the hours of 7-3 at the High School and 8-3 at the other buildings. You may also elect to have your child bring home a Chromebook at the end of the day on Nov 20th.

Any family borrowing a chrome book from the district MUST fill out the google form. The link for this form is listed below. These forms assure that if a Chromebook is borrowed, the parents take responsibility for any damages that may accrue while using the district device. This form must be filled out no later than Monday, November 16th.

Google Chromebooks must be returned on the first day back for face to face which is January 14th. If your child is returning the device, please be sure it is secured within their backpack.

If you have any questions, please reach out to your building administrator or myself.
