What else do we do?

We hold several fundraising events throughout the year so we can send our pantry children to youth summer camp at the beautiful Camp AuSable. For one week every summer the kids get to experience canoeing, go-carting, crafting, horseback riding, archery, tubing, golfing, rock climbing, woodworking, learning about nature, building life-long friendships, learning about Jesus, and have a great summer vacation!

For more information on how you can help donate to send kids to summer camp, please call Danielle at 586-646-5199.

What do we do?

We are very blessed to be called to serve our community in the fight to end childhood hunger. At the New Haven Children's Food Pantry children are able to pick out nutritious breakfast, lunch and dinner items (with guidance from their parents). Our hope is that no child in our community will go hungry.

If you or someone that you know is in need—please visit us.

We service the communities of New Haven and Lenox, and also provide emergency food for families who may live outside the area in crisis situations.

We are also able to provide some clothing and household items upon request and availability.

"And if anyone gives even a cup of cold water to one of these little ones who is my disciple, truly I tell you, that person will certainly not lose their reward." Matthew 10:42

"The Christian reveals true humility by showing the gentleness of Christ, by being always ready to help others, by speaking kind words and performing unselfish acts, which elevates and ennobles the most sacred message that has come to our world."

Ellen White
