

New Haven Community Schools Technology Enrollment Form for 2021-2022

Seventh and Eighth Grade

Your student(s) will be assigned a district Chromebook to use for both in-person learning and remote education. This form must be filled out **before** your student can pick up their Chromebook device. Please note that the device issued will be necessary for the student to use in many of their face-to-face classes.

Print and complete this form before your student picks up their Chromebook for the year. By signing this document I agree that I have read and will comply with the Student/Parent Technology Handbook.

By filling out this form, you are telling the school that it is okay to provide a Chromebook for the student or students listed above. This Chromebook will be used during the school day by your student for in classroom learning as well as home to the continued online education experience.

Please Note: Parents are responsible for any damage to the device.

This device is being provided through the Emergency Connectivity Fund. It is provided to meet the remote learning needs of students and help close the gap created over the past two years because of the pandemic. This derived is for students who would otherwise lack access to connective devices sufficient to engage and remote learning during the upcoming school year.
