

Notice to New Haven Employees

On March 23, 2020, Michigan Governor Gretchen Whitmer announced a “Stay Home, Stay Safe” measure (Executive Order 2020-21). This Executive Order allows those employed in essential sectors to continue operation. This includes those employees of governmental agencies. Executive Order 2020-21 remains effective through April 13, 2020.

All New Haven Community School employees are considered **essential workers** required to process minimum basic operations, process transactions (including payroll and employee benefits), facilitate the ability of other workers to work remotely, maintain the data center and digital system infrastructure, provide continuity of instructional services, including janitorial/cleaning, provide for essential workers and work or volunteer to provide food and other necessities of life for economically disadvantaged or otherwise needy children.
